As used in this contract, unless the context otherwise requires:

- A. **"Acts"** means an edition of the Iowa Acts and Joint Resolutions (Session Laws), a loose-spine, case-bound book, containing statutory provisions as enacted or item vetoed during a regular session and any extraordinary session of that General Assembly, together with miscellaneous materials, tables, and an index, that is published each year under the direction of the Iowa Code Editor pursuant to Iowa Code Chapter 2B.
- B. **"Book"** means a volume associated with the Acts or a volume associated with the Code. "Books" means all volumes associated with the Acts or all volumes associated with the Code, unless described otherwise. *See Appendix A.*

The Code is divided into the following parts:
1. **Statutory Volumes Set.** Multiple books (statutory volumes) containing statutes and miscellaneous materials produced using the same cover fabric and identified by volume number. *See Appendix A.*
  2. **Index Volume.** A book containing multiple tables and an index, designed as a corollary to a statutory volumes set, produced later than the statutory volumes set, produced using a separate fabric, and not identified by volume number. *See Appendix A.*
- D. **"Code Supplement"** means an edition of the Code Supplement (or the Iowa Code Supplement) a perfect bound, softcover book containing statutes and miscellaneous materials, including various tables and an index, that supplements the Iowa Code, and is published during odd-numbered years under the direction of the Iowa Code Editor pursuant to Iowa Code Chapter 2B.

- A. **Appendices Incorporated by Reference.** The Appendices (C-3) are incorporated as part of this contract by reference. If a provision in this contract and a provision in an Appendix conflict, the provision in this contract shall control.
- B. **Separate Contracts.** For purposes of determining a party's rights and obligations, this contract shall be deemed to incorporate two separate contracts, governing the production and delivery of production items and books associated with both publications: the Acts and the Code. Unless otherwise expressly stated, the same provisions govern both publications. A party's requirements to perform under one separate contract shall not affect the party's requirements to perform under the other contract, except as provided in Part X, Paragraph "E."
- C. **Choice of Law and Forum.** This contract is governed by the laws of the State of Iowa. All disputes and controversies regarding this contract shall be heard in the District Court of Polk County, Iowa. - D. **Conflict With Contract and Applicable Law.** In the case of a conflict between a provision of this contract and a statute or regulation of this state as judicially construed and in effect on the effective date of this contract, the provision of this contract controls, unless otherwise prohibited by a statute or regulation of this state as judicially construed and in effect on the effective date of this contract. Otherwise, a statute or regulation of this state as judicially construed and in effect on the effective date of this contract, and principles of common law as applicable on the effective date of this contract, shall be reasonably construed as being in harmony with the provisions of this contract.
- E. **Compliance With Applicable Laws and Regulations.** During the duration of this contract and as a condition of the Contractor's duty to perform under the provisions of this contract, the Contractor shall comply with all applicable laws and regulations of the State of Iowa and the United States, including but not limited to Title VII of the Civil Rights Act of 1964 and the Civil Rights Act of 1991 (42 U.S.C. ch. 21), and the federal Occupational Safety and Health Act of 1970 (29 U.S.C. ch. 15).

The final numbers will be determined after the execution of this contract.
- H. *Counting Book Pages.*** When counting book pages, one sheet of paper includes two pages, one on the front side and one on the reverse side.

  - 2. *Days.*** A "day" means a calendar day unless otherwise provided in this contract.
    - a. *Calendar Day.*** A calendar day is any day of the week. - 1. *Production (Book Bindery).*** The Contractor may, with Agency approval, provide for the production of a production item or book by a book bindery which acts under the direct supervision of the Contractor and provides for the production of (1) a production item during the trial performance period as provided in Part VI, (2) a production item during the standard performance period as provided in Part VII, or (3) a book during the standard performance period as provided in Part VIII. *See Appendices A and B.*
  - 2. *Payment Obligation.*** The Contractor and not the Agency shall be liable for any payment to a subcontractor for performance rendered by the subcontractor under this contract.
  - 3. *Duty to Perform.*** The Contractor shall not be relieved from performing a duty under this contract because of a subcontract or a subcontractor's failure to perform a duty. All standards for production and delivery of production items and books as provided in this contract shall apply to the Contractor regardless of whether the Contractor renders performance directly or by using a subcontractor.

- N. *Fixed Price Contract.*** This is a fixed price contract. Except as otherwise expressly provided in this contract, or expressly agreed to in writing by the parties, the contract price paid to a Contractor is fixed as provided in this contract. - O. *Renewal Options.*** The parties shall elect an option to renew a contract as follows:
- 1. *Exercising Present Renewal Option.*** The parties agree to implement their rights to execute this contract on a renewal basis as provided in Part III, Paragraph "O" of the contract for printing, packaging, and delivering the 2009 Iowa Acts executed on October 28 and 29, 2009, and as provided in Part III, Paragraph "O" of the contract for printing, packaging, and delivering the 2009 Iowa Code executed on September 15 and 18, 2008.
  - 2. *Reserving Future Renewal Option.*** The parties reserve the right to execute a renewal contract to produce and deliver the next edition of the Iowa Acts in the following year or the Iowa Code in two years according to provisions substantially similar to the provisions of this contract, as negotiated by the parties.

#### IV. STANDARDS

- A. *Contractor's Duty of Performance.*** The Contractor shall acquire all production materials, furnish all workmanship, and oversee all aspects of production.
- B. *General Standards.*** Any detailed standard for production material or workmanship contained and required in this contract, including as specified in Paragraph "C," shall be the standard for production material or workmanship used to produce a production item or book. However, if a standard is not specified in this contract or there is a question regarding the Contractor's compliance with a standard for a production material or workmanship, regardless of detailed standards provided in this contract, including Paragraph "C," all of the following apply:
- 1. *Production Materials.*** If the Agency has approved without qualification a production material after the execution of this contract during the trial performance period as provided in Part VI or standard performance period as provided in Part VII, that same production material shall be used by the Contractor in the production of a production item during the standard performance period as provided in Part VII and in the production of a book during the standard performance period as provided in Part VIII. The standard for a production material established pursuant to this Subparagraph 1 shall supersede any possible conflicting standard for the production material in this contract. In all other cases, the standard for a production material used to produce a book shall be the same or equivalent to the standard used to produce the same book for previous years as follows:
    - a. *Acts.*** For the Acts, the 2009 edition of the Iowa Acts.
    - b. *Code.*** For the Code, the 2009 edition of the Code.

## CONTRACT FORM C-2

### CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

2. **Workmanship.** If the Agency has approved without qualification the workmanship used to produce a production item during the trial performance period as provided in Part VI or the standard performance period as provided in Part VII, that same workmanship shall be used by the Contractor in the production of a production item during the standard performance period as provided in Part VII and in the production of a book during the standard performance period as provided in Part VIII. The standard of workmanship used to produce a production item approved by the Agency without qualification shall supersede any possible conflicting standard for workmanship in this contract. In all other cases, the standard for workmanship used to produce a book shall be the same or equivalent to the standard used to produce the same book for previous years as follows:

a. **Acts.** For the Acts, the 2009 edition of the Iowa Acts.

b. **Code.** For the Code, the 2009 edition of the Code.

- C. **Detailed Standards — Appendices.** The detailed standards applicable to the production of a production item or book specified in Appendices A and B shall control all of the following aspects of production, except if governed under general standards as provided in Paragraph "B": book size, paper stock, page composition and printing, and construction for production items and books.

## V. STANDARDS

### DELIVERY

- A. **Communications.** Any communication between the Agency and the Contractor regarding this contract must be addressed to the party's respective contact persons, as specified in Appendix F.
1. **Book Bindery.** If the contact person specified in Appendix F is not responsible for the day-to-day operations in the book bindery, the Agency reserves the right to communicate with the person in the book bindery during the trial performance period as provided in Part VI, and during the standard performance periods as provided in Part VII or Part VIII.
2. **Replacement.** If a party replaces a contact person, the party shall immediately notify the other party of the contact information for the new contact person.
- B. **General Duty to Deliver.** The parties shall deliver products as specified in Appendices C and D.
- C. **Incomplete Delivery of Production Items and Pages.** The Agency's delivery of a set of composed pages with missing pages shall be deemed to be a failure to deliver the entire set of composed pages, and the Contractor's failure to deliver a complete, satisfactory set of digital proofs shall be deemed to be a failure to deliver both sets of digital proofs. However, the Agency may provide for incremental delivery of composed pages and for the incremental production and delivery of digital proofs. The Contractor's failure to deliver a complete, satisfactory set of digital proofs, or press proofs, for a book as part of a set of assembled pages shall be deemed to be a failure to deliver the entire set of assembled pages. The Contractor's failure to deliver a complete and satisfactory set of book pages for a book shall be deemed to be a failure to deliver the book.
- D. **Subcontractor (Book Bindery).** The Agency may require that a subcontractor who is the book bindery deliver a production item simultaneously to the Agency and the Contractor during the trial performance period as provided in Part VI and the standard performance period as provided in Part VII.
- E. **Common Carrier Requirements.** The Contractor shall provide for the delivery of a production item or book as specified in Appendices C and D. However, the Agency may modify the special instructions specified in Appendix C or D prior to delivery.
- F. **Delivery on Business Day.** The Contractor shall not deliver a production item or book on a day other than a business day without the express approval of the Agency.

## CONTRACT FORM C-2

### CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

- G. *Excusable Failure to Deliver.*** The Contractor is excused from delivering a production item or book on a specific business day or to a specific destination if the destination does not accept receipt and the Contractor promptly notifies the Agency of the refusal. However, the Contractor must complete delivery on the next business day to that destination, unless the failure is excused as provided in this Paragraph "G," or the Agency provides otherwise.
- H. *Possession by Agency.*** Delivery is not accomplished until the Agency takes possession of a production item or book. Title does not pass to the Agency prior to the receipt of the production item or book by the Agency. The Agency's receipt of a production item or book is not an approval of the production item or book by the Agency. A production item or book which is damaged prior to receipt by the Agency shall be deemed undelivered. When the Agency opens a carton containing a damaged production item or book, it is conclusively presumed that the damage occurred prior to receipt (i.e., during production or delivery).
- I. *Review and Response.*** The Agency shall review production items or books and communicate a response to the contractor as follows:
- 1. *Exclusive Right of the Agency.*** Even though another person may be authorized to receive a production item or book, only the Agency is authorized to approve, disapprove, or approve with qualification a production item or accept or reject a book.
  - 2. *Statistical Sampling.*** In determining whether to accept or reject any book or all books delivered to the Agency as part of Normal Delivery or Special Delivery as provided in Part IX, the Agency shall examine a statistical sampling of at least 5 percent of the books delivered as part of Normal Delivery. For the Code, the Agency must conduct two separate examinations of the delivered books. First, the Agency must examine a statistical sampling of books that are part of a statutory volumes set. The Agency may examine a statistical sampling of books associated with a particular volume, several volumes, or all volumes. Second, the Agency must examine a statistical sampling of books associated with the volume index.
  - 3. *Determination Period.*** The Agency shall have a determination period to deliver its response to the Contractor as provided in Appendix D. The Agency's determination period begins on the final date required for the delivery of a production item or book or the actual date that such production item or book is delivered, whichever is later. For the Code, there are two separate determination periods. The first determination period begins on the date when a production item or book associated with statutory volumes sets is required to be or is actually delivered to the Agency and the second determination period begins on the date when a production item or book associated with the index volume is required to be or is actually delivered to the Agency.
  - 4. *Agency Response.*** The Agency's response shall be one of the following: (1) to approve a production item without qualification, approve a production item with qualification, or disapprove a production item during the trial performance period as provided in Part VI or the standard performance period as provided in Part VII or (2) to accept or reject a book during the standard performance period as provided in Part VIII.
  - 5. *Remedies.*** The Agency may seek remedies for the Contractor's failure to perform as provided in Parts X through XIII.

The Contractor shall deliver a finished cover to the Agency as specified in Appendix D, and the Agency will review a finished cover and deliver its response to the Contractor as provided in Part V, Paragraph "I," and specified in Appendix D.
- B. **Sets of Digital Proofs.** The Agency will deliver composed pages for books associated with the Acts and each volume of the Code in an electronic format to the Contractor as specified in Appendix C. The Contractor shall use the composed pages to produce sets of digital proofs as specified in Appendix B. The Contractor shall deliver the sets of digital proofs to the Agency as specified in Appendix D, and the Agency will review the sets of digital proofs and deliver its response to the Contractor as provided in Part V, Paragraph "I," and specified in Appendix D.
1. **Incremental Delivery of Composed Pages and Sets of Signatures.** The Agency may deliver the composed pages to the Contractor in installments by groupings of signatures. After the Contractor receives an installment of composed pages and produces the sets of digital proofs, the Contractor shall produce and deliver those sets of digital proofs to the Agency.
  2. **Deadline.** The Contractor shall deliver sets of digital proofs or an installment of a set of digital proofs to the Agency as specified in Appendix D. However, the Agency may waive this requirement and authorize the Contractor to deliver all sets of digital proofs produced from multiple installments of composed pages to the Agency on a later business day.
- C. **Sets of Assembled Pages.** A set of assembled pages may be an assembled set of digital proofs, or a set of press proofs, for a book, except that each set shall be three-hole punched to fit in a standard three-ring binder. The sets of assembled pages shall meet the standards specified in Appendix B. The Contractor shall deliver the sets of assembled pages to the Agency as specified in Appendix D, and the Agency will review the sets of assembled pages and deliver its response to the Contractor as provided in Part V, Paragraph "I," and specified in Appendix D.

### VIII. SCHEDULE — STANDARD PERFORMANCE PERIOD

#### PRODUCTION AND DELIVERY OF BOOKS

The Contractor shall produce books associated with the Acts or the Code and deliver them to the Agency for approval during a standard performance period in compliance with the requirements of this contract, including the standards provided in Part IV, this part, and the Appendices. The Contractor shall package (including loading) and ship (including unloading) the books as specified in Appendix C. For the Code, the books associated with the statutory volumes sets and books associated with the index volume shall be produced and delivered according to different schedules. The Contractor shall provide for both Normal Delivery and Special Delivery of the books to all destinations specified in Appendices C and D, and the Agency will review the books and deliver its response to the Contractor as provided in Part V, Paragraph "I," and specified in Appendix D.

### IX. SCHEDULE — PAYMENT

- A. General.** The Agency is liable to the Contractor as provided in this contract only for amounts paid as consideration under this contract, and subject to the following:
- 1. Contract Price.** Unless this contract is terminated as provided in Part XI, payment of the contract price shall be based on the production and the delivery of production items and books associated with the Acts and Code to the Agency according to the terms and conditions of this contract.
  - 2. Invoice Required.** The Contractor shall present an invoice or invoices to the Agency for payment of the contract price as specified in Appendix D. The Contractor shall present a separate invoice to the Agency for the Acts and the Code pursuant to the payment schedule provided in Paragraph "B." If payments are made in installments, the Contractor shall identify the final invoice and specify the amount of the last payment owed by the Agency. The Agency's payment to the Contractor of the amount stated in an invoice shall be deemed conclusive evidence of satisfaction by the Agency of any payment obligation for the items invoiced, and each party waives any right to later contest the invoice amount based on error. The Agency's payment of the final invoice shall be deemed conclusive evidence of payment of the contract price owed to the Contractor, regardless of any error by the parties.
- B. Payment Schedule.** Upon delivery of an invoice as provided in Paragraph "A," Subparagraph 2, the Agency shall pay the Contractor the contract price.
- 1. Conventional Payment Schedule.** The Agency will pay the Contractor according to a conventional payment schedule. The Agency may make one payment to the Contractor at the end of the determination period for the Acts and another payment to the Contractor at the end of the determination period for the Code as specified in Appendix D. The Agency shall pay the Contractor 100 percent of the amount of the contract price for all books associated with each publication accepted under the contract as provided in Paragraph "C."
  - 2. Early Payment Schedule.** The Agency, upon request by the Contractor or upon its own initiative, may pay the Contractor the contract price or a portion of the contract price earlier than required under Subparagraph 1. In order to receive payment of an amount earlier than required under Subparagraph 1, the Contractor must verify that the Contractor has incurred all production costs associated with performance under this contract. The decision of the Agency to pay an amount earlier than required under Subparagraph 1 shall not be construed as an amendment of this contract, shall not obligate the Agency to pay the Contractor an amount other than as provided in this contract, shall not constitute a waiver of any requirement of the Contractor, and shall not relieve the Contractor of its duty of performance under this contract.
- C. Amount of the Contract Price (Base Price and Adjustments).** The Agency shall pay the Contractor a base price which is an estimate of the contract price calculated for the production and delivery of an order of

books associated with each publication by assuming that each book has an estimated number of pages divided into signatures as specified in Appendix A, subject to adjustment as provided in this Paragraph "C."

**Table A.1**  
**Base Price**

Publication	Amount
Acts	\$25,760
Code	\$311,955.50

The Agency shall adjust the base price specified in Table A.1 to achieve the contract price as follows:

- 1. Replacement Pages.** The Agency shall adjust the base price to account for the replacement of an occasional page or pages of a book as required by the Agency due to the Agency's correction of the appearance or text of a page during book production. The Agency shall deliver a replacement page to the Contractor by electronic transmission. The prices charged by the Contractor for incidental work shall not exceed those customarily charged by the Contractor to its customers for similar incidental work. The Contractor shall provide the Agency with proof of customary charges. The Contractor shall not charge the Agency for the first \$300 incurred for replacing pages of a book.

**Table A.2**  
**Adjustments Based on Replacing Pages**

Publication	Amount Per Hour
Acts	\$75 After the First \$300.00
Code	\$75 After the First \$300.00

- 2. Actual Number of Signatures (Adjusted).** The Agency shall adjust the base price specified in Table A.1 to account for the actual number of signatures for each book as adjusted during the trial performance period as provided in Part VI or the standard performance period as provided in Part VII (the number of signatures that the Agency instructs the Contractor to be added to or subtracted from the estimated signature count). The Agency shall adjust the base price to pay for the adjusted number of signatures (i.e., an increase or decrease in the estimated number of signatures) of all books that are part of an order.
- 3. Publications Dedicated for Normal and Special Delivery.** The parties shall use good-faith efforts to adjust the base price specified in Table A.1 to account for the actual number of publications delivered as part of normal and special delivery. The Agency may determine to increase the number of the publications dedicated for normal delivery and decrease a corresponding number of publications dedicated for special delivery, including by shipment or mail, to destinations specified in Appendix C. For the Acts, the Agency shall notify the Contractor at least 15 days before the day that the Contractor is required to deliver the Acts to the Agency as specified in Appendix D. For the Code, the Agency shall notify the Contractor at least 15 days before the day that the Contractor is required to deliver the statutory volumes sets to the Agency as specified in Appendix D. If the locations for delivery change, the Agency shall provide the Contractor with addresses for those locations in a MicroSoft® Excel format as required in Appendix C.

## CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

### X. PROCEDURES AND REMEDIES FOR NONCOMPLIANCE — GENERAL

- A. *All Legal Remedies Available.*** Remedies available as provided in this contract for breach of contract are in addition to every other remedy available to the parties at law or in equity. The Agency may utilize a procedure and remedy for noncompliance as provided in this contract in addition to another procedure and remedy also provided in this contract, including but not limited to termination as provided in Part XI, a demand for specific performance as provided in Part XII, or the assessment of liquidated damages as provided in Part XIII and specified in Appendix E.
- B. *Notice and Response Requirements.*** The Agency shall notify the Contractor in writing of any noncompliance with the terms and conditions of this contract that demands a remedy as provided in Paragraph "A." Except as provided in Part XI, the Agency shall deliver the notice of noncompliance within the determination period for the approval of books as provided in Part V, Paragraph "I," and specified in Appendix D. The notice demanding a remedy for a breach of contract as provided in Part XII or XIII and specified in Appendix E shall document each breach of contract and the remedy demanded or imposed for the breach of contract. A notice of breach of contract which demands a remedy shall suspend any obligation by the Agency to carry out the provisions of this contract until the Agency accepts the remedy. The Contractor may dispute the Agency's determination of a breach by delivering a notice of dispute to the Agency within 30 calendar days after the Agency delivers its notice to the Contractor. The dispute shall be resolved by the parties in good faith.
- C. *Indemnification.*** Except as provided in this contract, the Contractor shall jointly and severally indemnify and hold the Agency, the Iowa General Assembly, and the State of Iowa harmless from and against all liability, loss, damage, or expense, including reasonable attorney fees, by reason of a breach of contract by the Contractor.
- D. *Performance Bond.*** The Contractor shall post a performance bond with the Agency as follows:
- 1. *Amount.*** The performance bond shall be 75 percent of the base price as provided in Part IX, Paragraph "C (Table A.1)," as follows:
    - a. *Acts.*** For the Acts, \$19,320.
    - b. *Code.*** For the Code, \$233,967.
  - 2. *Substitution.*** The Agency may accept a certified check, cashier's check, or money order in lieu of a bond, which must be kept on file with the Agency, until the satisfaction of the contract.
  - 3. *Retention.*** The Agency may retain the performance bond until the end of the determination period for the acceptance of books as provided in Part V, Paragraph "I," unless the Contractor disputes the Agency's determination as provided in Paragraph "B." In that case, the Agency may retain the performance bond until the dispute has been resolved.
  - 4. *Waiver.*** The Agency may waive the posting of a performance bond.
- E. *Termination of Both Contracts.*** A party's performance under the separate contract for the Acts shall not affect the party's performance under the other contract for the Code, unless a party terminates the contract for the Acts under Part XI. In that case, the party may also terminate the contract for the Code. However, the party terminating the contracts must notify the other party of the terminations at the same time as provided in Paragraph "B."

## CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

### XI. PROCEDURES AND REMEDIES FOR NONCOMPLIANCE — TERMINATION

- A. *Justifiable Termination.*** Any of the following shall be just cause for terminating this contract, without breach of contract:
- 1. *Insufficient Moneys.*** If moneys necessary to satisfy this contract price are at any time not forthcoming or insufficient through the failure of the State of Iowa to make sufficient moneys available as a result of legally binding action, then the Agency may terminate this contract by giving not less than 20 calendar days' written notice to the Contractor documenting the lack of funding. Upon termination, the Agency agrees to pay all costs incurred by the Contractor up and until the date of termination. If moneys necessary to satisfy the contract price become available within 40 calendar days subsequent to the termination, the Agency agrees to reexecute a contract with the Contractor under the same provisions of this contract and any amendments as agreed to by the parties.
  - 2. *Force Majeure.*** If the performance of any provision of this contract is prevented by an event which is an act of God, civil tumult, war, epidemic, interruption of transportation or communication, or any other cause beyond the control of a party, as determined by the Agency, that party is relieved of the performance of that provision of this contract. However, if the Contractor is prevented from performance, the Contractor shall provide the Agency with written notice within 10 calendar days describing the preventing event, the possible duration of the preventing event, the Contractor's efforts to remedy the situation caused by the preventing event, and the expected effect of the preventing event upon the schedules contained in this contract. It shall be the Contractor's responsibility to show that the cause of the preventing event was beyond the Contractor's control, that the preventing event reasonably caused nonperformance, and that the Contractor was not reasonably able to anticipate the preventing event in order to avoid the nonperformance.
- B. *Nonjustifiable Termination.*** Either party may terminate this contract if the other party breaches this contract by failing to substantially comply with a provision of this contract. The party terminating this contract shall deliver written notice to the other party within 20 calendar days following the breach. The written notice shall document the breach of contract. If the Contractor breaches this contract by failing to satisfy such provision, the Contractor shall forfeit all or part of the performance bond provided in Part X, Paragraph "D," and the Agency may withhold all or a portion of unexpended moneys of the contract price, retaining such moneys as liquidated damages. The Agency may also continue this contract and retain such moneys as liquidated damages. The Agency shall deliver a written notice to the Contractor stating the Agency's decision to retain an amount in liquidated damages not later than 20 calendar days following the delivery of its notice documenting the breach of contract.
- C. *Unilateral Termination.*** The Agency may unilaterally terminate this contract if the Contractor commits an egregious breach of this contract as specified in this Paragraph "C." The Agency shall deliver a written notice to the Contractor within 30 calendar days following the Agency's discovery of the egregious breach, but within the determination period for the acceptance or rejection of books as provided in Part V, Paragraph "I," and specified in Appendix D. The written notice shall document each cause of the egregious breach.
- 1. *Egregious Breach.*** As used in this Paragraph "C," an egregious breach is limited to any of the following:
    - a. *Unauthorized Copyright.*** The Contractor obtains or attempts to obtain a copyright in text or data produced in a book or originating from electronic media delivered to the Contractor by the Agency as provided in this contract.
    - b. *Unauthorized Release.*** The Contractor releases text or data delivered by the Agency to the Contractor under this contract to any person, including but not limited to a related entity of the Contractor, the text or data is produced in a book or originates from electronic media delivered to the Contractor by the Agency, and the release is not expressly approved in writing by the Agency.

# CONTRACT FORM C-2

## CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

- c. **Unauthorized Publishing.** The Contractor uses text or data delivered by the Agency to the Contractor under this contract for purposes of publishing without the express written approval of the Agency.
  - d. **Unwarranted Delay.** The Contractor fails to deliver any of the following:
    - (1) **Production Item.** A production item as required to be delivered to the Agency during the trial performance period as provided in Part VI or the standard performance period as provided in Part VII more than 10 calendar days after due.
    - (2) **Book.** A book required to be delivered to the Agency during the standard performance period as provided in Part VIII more than 20 calendar days after due.
  - e. **Disapproved Production Item (Grossly Unsatisfactory).** The Contractor delivers a production item during the trial performance period as provided in Part VI or the standard performance period as provided in Part VII which the Agency disapproves because it determines that the production item is grossly unsatisfactory. A set of digital proofs or set of assembled pages is deemed grossly unsatisfactory if text is corrupted or does not otherwise match the composed pages delivered by the Agency to the Contractor for production of the set of digital proofs. This Subdivision "e" does not apply to a production item that is unsatisfactory due to the Agency's use of technology or procedures to produce or transmit information to the Contractor for the production of the production item.
  - f. **Rejected Books (15 Percent Rejection Rate).** The Contractor delivers a publication order, not counting an overrun as provided in Part IX, Paragraph "C," which the Agency rejects because 15 percent or more of its associated books are unsatisfactory. For the Acts, the Agency may determine that 15 percent or more of its books are unsatisfactory. For the Code, the Agency may determine that 15 percent or more of its books which are part of the same volume are unsatisfactory or the Agency may determine that 15 percent or more of all statutory volumes sets are unsatisfactory because books associated with the examined statutory volumes sets are unsatisfactory. However, the Agency shall not count books associated with statutory volumes sets and index volumes together to calculate the percentage. A book is unsatisfactory if the Agency determines that it does not comply with the standards for materials or workmanship provided in Part IV based on a statistical sampling of delivered books delivered to and conducted by the Agency during the determination period as provided in Part V, Paragraph "I," as specified in Appendix D. The Agency shall notify the Contractor of the rejection as soon as practicable within the determination period.
  - g. **Failure to Comply With a Notice for Specific Performance.** The Contractor fails to comply with a demand for specific performance within the period for compliance as provided in Part XII, Paragraph "B."
2. **Remedies.** The Contractor shall forfeit the performance bond as provided for in Part X, Paragraph "D," the Agency may withhold all or a portion of unexpended moneys of the contract price, retaining such moneys as liquidated damages, and the Agency shall be entitled to 75 percent of the base price as provided in Part IX, Paragraph "C (Table A.1)," in additional liquidated damages as provided in Part XIII and specified in Appendix E based on potential lost sales to the Agency, the Agency's diminished reputation, and delays caused by selecting another vendor to complete the production and delivery of the books.

### XII. PROCEDURES AND REMEDIES FOR NONCOMPLIANCE — SPECIFIC PERFORMANCE

- A. **General.** The Agency may demand specific performance, by requiring the Contractor to produce and deliver a production item or book associated with a publication. The Agency may demand specific performance for cause as follows:

## CONTRACT FORM C-2

### CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

1. **Disapproval or Rejection.** The Contractor delivers a production item which the Agency disapproves during the trial performance period as provided in Part VI or during the standard performance period as provided in Part VII or the Contractor delivers a book which the Agency rejects during the standard performance period as provided in Part VIII. The Agency shall disapprove a production item or reject a book which does not comply with the standards for production materials and workmanship provided in Part IV, including as specified in Appendices A and B.
  2. **Inadequate Delivery.** The Contractor fails to comply with a requirement for the delivery of a production item during the trial performance period as provided in Part VI or during the standard performance period as provided in Part VII or the Contractor fails to comply with a requirement for the delivery of a book during the standard performance period as provided in Part VIII, including as specified in Appendices C and D.
  3. **Underrun.** The Contractor produces an underrun of a set of digital proofs, a set of assembled pages, or books. The Agency may require the Contractor to produce the number of sets of digital proofs or sets of assembled pages as required by Part VII, Paragraph "B" or "C" and specified in Appendix B or the number of books as required by Part VIII and specified in Appendix A, for delivery to the Agency.
  4. **Unauthorized Copyright.** The Contractor obtains or attempts to obtain a copyright in text or data used in the production or delivery of a book. The Contractor shall immediately withdraw any application for the copyright and renounce any such copyright that the Contractor has obtained. Nothing in this paragraph restricts the Contractor from obtaining or attempting to obtain a copyright in text or data provided to the Contractor by the Agency under the terms of another contract.
  5. **Unauthorized Release.** The Contractor releases text or data used in the production or delivery of a book to an unauthorized person. The Contractor shall take all actions necessary to recover the text or data from that person. The Contractor shall return the text or data to the Agency or destroy the text or data in a manner specified by the Agency. Nothing in this paragraph restricts the Contractor from releasing text or data provided to the Contractor by the Agency under the terms of another contract for a purpose unrelated to the production or delivery of a publication under this contract.
  6. **Unauthorized Publishing.** The Contractor uses text or data used in the production or delivery of a book for purposes of unauthorized publishing of information delivered to the Contractor by the Agency. The Contractor shall destroy any publication which uses such information upon demand by the Agency. Nothing in this paragraph restricts the Contractor from using text or data or releasing text or data provided to the Contractor by the Agency under the terms of another contract.
- B. Compliance Period.** Unless the Contractor disputes the Agency's demand for specific performance as provided in Part X, Paragraph "B," the Contractor shall provide specific performance as demanded in the Agency's notice within the same period of time required for the original delivery. However, if the Agency's demand is for the production and delivery of a book to correct and replace a book that the Agency rejected, the Contractor shall deliver the corrected replacement book to the Agency as provided in Paragraph "C" within 20 calendar days following the delivery of the Agency's notice to the Contractor.
- C. Replacement.** If the Agency disapproves a production item, rejects a book, or does not receive a production item or book, as provided in Paragraph "A," the Contractor shall replace the production item or book as required by the Agency.
1. **Production Items.** If the Agency disapproves an entire set of digital proofs, the Contractor shall deliver two sets of corrected replacement sets of digital proofs or any part of the corrected replacement sets of digital proofs to the Agency in the manner specified by the Agency. If the Agency disapproves a set of assembled pages, the Agency shall return one set of assembled pages or a representative percentage of pages only upon request by the Contractor and at the Contractor's expense.
  2. **Books.** If the Agency rejects a book, the Agency shall return the book or a representative percentage of book pages that are in its custody to the Contractor only upon request by the Contractor and at the Contractor's expense. For the Acts, the Agency may demand that the Contractor replace all books if the Agency could unilaterally terminate the contract due to an egregious breach as provided in Part XI,

# CONTRACT FORM C-2

## CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

Paragraph "C" because 15 percent or more of the books are determined unsatisfactory. For the Code, the Agency may demand that the Contractor replace all books which are part of the same volume if the Agency could unilaterally terminate the contract due to an egregious breach as provided in Part XI, Paragraph "C" because 15 percent or more of the books of the same volume are determined unsatisfactory. In the case of a book required to be delivered to an Agency's customer, the Contractor shall deliver the replacement book to the customer or deliver the book to the Agency and reimburse the Agency for its costs to directly deliver the corrected book to its customer. The Agency may deduct the amount of the reimbursement from the contract price.

### XIII. PROCEDURES AND REMEDIES FOR NONCOMPLIANCE — LIQUIDATED DAMAGES

- A. General.** During the trial performance period as provided in Part VI, or the standard performance periods as provided in Parts VII and VIII, the Agency may assess and impose liquidated damages against the Contractor for a designated breach of this contract as provided in this part that will result in the delay of a publication's delivery to the Agency. It is assumed that the late delivery of a publication will consequently reduce the Agency's sales of the publication. In addition, the late delivery of a publication will result in an accompanying loss of the Agency's reputation consequently reducing future sales of the Iowa Acts, Iowa Code, Code Supplement, and other Agency publications. It is assumed that the late delivery of the production item or the delivery of an unsatisfactory production item will consequently postpone the Agency's review and approval of the production item, causing a delay in the production and delivery of its associated publication. The Agency's imposition of liquidated damages applies regardless of whether a production item or associated publication is or is not actually delivered late because it is assumed that any delay in the Contractor's delivery of the production item will be rectified by the Agency taking extraordinary measures to restore the schedule for production, if possible. The Contractor's late delivery of a set of assembled pages will reduce the efficiency and effectiveness of the Agency in performing critical legislative functions, including drafting and reviewing proposed legislation.
- B. Designated Breaches.** The Agency may assess and impose liquidated damages for a designated breach involving the delivery of a publication later than required under Part VIII, as specified in Appendices C and D, or for another designated breach that includes the Contractor's failure to properly deliver a publication or production item associated with the publication, subject to the cap on liquidated damages as provided in this Paragraph. See *Appendix E*.

**1. Calculation.** The Agency shall assess liquidated damages based on the following calculations:

- a. Predetermined Rate.** Each designated breach involving a publication or production item associated with that publication, other than a set of assembled pages, shall be assessed at a predetermined rate. A predetermined rate shall apply to each book of the Acts. Another predetermined rate shall apply to each book that is part of a statutory volumes set, or each statutory volumes set, or the index volume of the Code. A separate predetermined rate applies to a set of assembled pages.
- b. Actual or Predetermined Days of Delay.** A publication or production item shall be assessed for the actual number of days that the publication or production item is delivered late. The assessment shall be calculated on a calendar day basis for a publication or associated production item other than a set of assembled pages and a business day basis for a set of assembled pages. Any other designated breach involving a publication shall be assessed for a predetermined number of calendar days that the publication is expected to be delivered late due to the designated breach. Similarly, any designated breach involving a production item, other than a set of assembled pages, shall be assessed for a predetermined number of calendar days that the associated publication is expected to be delivered late due to the designated breach. The predetermined number of calendar days shall be added to the last required delivery day for that publication as if the Agency

## CONTRACT FORM C-2

### CONTRACT 2010 IOWA ACTS & 2011 IOWA CODE

had demanded specific performance on that delivery day as provided in Part XII and a satisfactory publication or production item was properly delivered on the last predetermined calendar day. For the Acts, the required delivery date is the last day that all books must be delivered to all destinations. For the Code, the required delivery date is the last day that all statutory volumes sets are required to be delivered to all destinations or all index volumes are required to be delivered to all destinations.

- c. **Total Number of Publications Delivered.** The amount of liquidated damages calculated for a single publication shall be multiplied by all identical publications ordered. For the Acts, the amount shall be calculated on a per book basis multiplied by all such books ordered. For the Code, the amount shall be calculated on a per book basis multiplied by the total order of all books that are the same volume or shall be calculated on a per statutory volumes set basis multiplied by all statutory volumes sets ordered.
2. **Amount of Liquidated Damages Capped.** The Agency shall not assess or impose liquidated damages for an amount that exceeds a maximum amount for all breaches classified under a category described in this Part for each publication based on a percentage of the contract price for the publication as provided in Part IX, and specified in Appendix E.

#### XIV. WAIVERS AND AMENDMENTS

- A. **Writing Requirement.** A waiver or amendment of a provision of this contract shall not be valid unless made in writing.
- B. **Waiver Restriction.** No person representing the Agency may waive a requirement or amend this contract, except Mr. Glen Dickinson, Director of the Legislative Services Agency; Mr. Richard Johnson, Legal Services Division Director; or Ms. Leslie Hickey, Iowa Code Editor.
- C. **Specific Waiver — Trial Performance Period.** Any person specified in Paragraph "B" may waive the trial performance period for the production and delivery of a production item by delivering a notice of the waiver to the Contractor within five days of the execution of the contract.
- D. **Failure to Act Is Not a Waiver.** The failure of a party at any time to enforce a provision of this contract is not a waiver of the provision, and does not affect the validity of any provision of this contract or the right of either party to subsequently enforce a provision of this contract. A decision by the Agency to ignore a breach of this contract by the Contractor is not a waiver of a subsequent breach of this contract by the Contractor.

#### XV. EXECUTION AND EFFECT OF EXECUTION

- A. **Integration.** Except as provided in this Paragraph "A," this contract contains the entire agreement between the Agency and the Contractor, and representations made before the signing of this contract shall not be binding, and neither party shall rely upon conflicting prior representations in entering into this contract. However, if the parties disagree regarding an issue which is not expressly addressed in this contract, or regarding the interpretation of a provision in this contract, which is expressly addressed in a provision contained in the Contractor's Proposal Form (C-1), the provision contained in the proposal form shall be deemed as part of this contract. Otherwise, this contract supersedes the provisions of any Request for Proposal or agreements made prior to the execution of this contract.
- B. **Effective and Termination Dates.** This contract takes effect upon being signed by authorized representatives of the Agency and the Contractor and continues until the provisions of this contract are satisfactorily performed, or until this contract is otherwise terminated under its provisions.
